The Buddy's STORY

Buddy's is where Detroit-Style Pizza was born.

In 1946, Detroit-Style Pizza was born at Buddy's Rendezvous Pizzeria on Six Mile and Conant street on Detroit's eastside. What makes a pizza Detroit-Style? The same things that made Detroit – a little bit of ingenuity, some stubborn spirit and a whole lot of heart. It's what sparked an original idea 75 years ago to take a steel auto pan, create a one of a kind square pie and make Buddy's the originators of Detroit-Style Pizza.

There's a reason we've stuck around. Times may change, but our standards never have. This means using only the best ingredients, built by hand with recipes perfected over five generations. That's the Buddy's way, just the same as when we started at 6 Mile and Conant. We like turning strangers into friends and friends into family — sharing in the good times and making memories. We're also committed to giving back to our communities and championing local causes. Because we care about our neighbors the same way we care about our pizza.

**So wherever you are, whoever you're with,
come on in and get a slice of Detroit.**
